

Position: Interior Designer – Senior

Type of Employment: Full time

Experience level: 10 years +

Location: Charlotte

VISIONBUILDERS DESIGN, Charlotte**Job Description:**

Dynamic Food Service & Interior Design Company based in Charlotte, NC, specializing in hospitality design, seeks a motivated & enthusiastic **Senior Interior Designer** for a position in our head office. Our hospitality design scope is diverse and includes universities, hospitals, restaurant chains, sporting facilities, and airport installations nationwide. The best candidate for this position will have experience with and demonstrated interest in projects of this type. This individual must be energetic, trend forward and ready for a challenging career with a fast-growing company.

The position requires a minimum of 10 years' experience within the Architectural arena and Revit experience is critical. **Candidates, without Revit experience, should not apply.** A base knowledge of building construction, construction methods and drawings, design development, and internal office project management is required. Applicants should be motivated, organized, detailed, and have a great attitude. The opening is immediate for qualified candidate.

VisionBuilders Design is searching for a **Senior Interior Designer** to:

- Lead young Interior Designer department within VBD to meet design/project schedules.
- Material cost estimations
- Complete interior design sample boards, inspiration boards to communicate ideas to clients
- Work under the direction of a Design Principal/President, as well as handle much of their job duties without detailed direction from a senior member of staff.
- Provide drafting, architectural detailing, working drawings, schedules, while adhering to VBD Revit standards.
- Check interior shop drawings/submittals, adhere to VBD Revit standards, and archive documents.

Job Requirements:

- Associates or Bachelor's Degree in Interior Design
- LEED Certified & IIDA Member
- At least 10 years' experience with an Architecture or Architecture/Engineering firm designing buildings and producing Contract Documents
- Strong leadership attributes & ability to work in a team setting and achieve results through collaboration and sharing
- Experience with Revit. **Experience with Revit is critical – candidates should not apply without Revit experience.**
- Experience in Photoshop, Bluebeam Revu, Adobe InDesign, SketchUp, Microsoft Office Suite
- Strong 3D Design Skills
- Understanding of safety code compliance

Compensation / Benefits:

- Salaried position; level and type of compensation commensurate with experience
- Paid vacation, holidays, sick leave
- Professional development support
- Medical insurance

POSITION REPORTS TO: Owner/Design Principal
